

# International Trade & Investment Office Directors

For the first time in several years, the Directors of  
all seven Missouri International Trade and Investment Offices  
will be in-state.

Each Director will present an update on their market, Monday morning, March 4 in St. Louis and Thursday morning, March 7 in Kansas City. They will then be available for one-on-one business meetings for the remainder of the day, as well as on March 5 in St. Louis and March 8 in Kansas City.

Grab this unique opportunity to meet them in person and learn about your company's export prospects in China, Brazil, Mexico, Japan, India, South Korea and Europe. This event will help you gather first hand local market information and insight to export MADE IN USA products.
